

# Bruce Springsteen, Wild Kisses

Well, mister, you see that girl walking down the street  
That little girl, she used to turn 'em on  
Wild kisses and a heart that's oh-so-sweet  
In the middle of the night.

And now, wild kisses & it wouldn't seem to settle down  
Afraid to get my feet back on the ground

...  
I'm gonna meet her tonight

And now my wild world's tumblin' and dancin' ? ?  
...true romancin'

...  
Listen to me, baby  
I wanna celebrate my dream, girl  
I don' wan' no lonely dream, babe  
I wanna give everything to my little baby tonight

I gotta... on the track & it's & it's  
What she gives me -my god- she break my back

...  
...

Wild kisses in the morning

& it wendy & it gives me a ... to go on?

...

And now... like dancin'  
...true romancin'  
Why won't you... heart.. to try?  
Listen to me, baby  
I want to ..., girl  
I want to...  
I want to...

[bridge]  
I don't want...

...

Listen to my heart, girl  
I know...

...

Mister, see that girl walkin' down the street  
Well that girl, she used to drive me wild  
Wild kisses...  
...meet her tonight

Wild kisses and & it yaddas & it;
