

Bruce Springsteen, You Gotta Fight

Little girl in these changing times
You got to move on or left behind
Every day is a battle again
And the state of future looks so damned
...□...□ allright
And if you get it right

...

...

...

Well you just got to fight for what you want
You got to fight for what you want 2x
For what you want

...

Every guide (or better 'guy'?) leaves you so confused
...□ which way to turn

...

Oh yeah ...

All night ...

...□□...□ with that stone

Remember that
You got to fight for what you want 3x
For what you want

...

Got to fight for what you want
You got to fight for what you want
