

# Bruno Mars, Killa On The Run

I don't recognize my reflection  
All I see is a product of your deception  
Gave you all of me without question  
But you had to take advantage of a blessing  
I warned you, I told you it would end this way  
If you kept on playing all those childish games  
But just like every other man you're all the same  
Revenge is sweet I love the taste it's giving me

I'm a killa on the run  
You broke my heart and now you're staring down my gun  
Click-clack now watch me pull this trigger just for fun  
Was once a good girl now a killa on the run  
K-k-killa, k-k-killa, k-k-killa  
K-k-killa on the run  
Killa on the run  
K-k-killa on the run

Wipe those tears from your eyes it's too late  
With that rag in your mouth can't tell what you say  
Tied to the train tracks begging me for mercy  
This is gonna hurt you more than it hurts me  
I warned you, I told you it would end this way  
If you kept on playing all those childish games  
But just like every other man you're all the same  
Revenge is sweet I love the taste it's giving me

I'm a killa on the run  
You broke my heart and now you're staring at my gun  
Click-clack now watch me pull this trigger just for fun  
Was once a good girl now a killa on the run  
K-k-killa, k-k-killa, k-k-killa  
K-k-killa on the run  
Killa on the run  
K-k-killa on the run

You brought this upon yourself  
I loved you more than anyone else  
Karma's a bitch now shut up and take it  
Look at the monster you created

You brought this up on yourself  
I loved you more than anyone else  
Karma's a bitch so shut up and take it  
Now I'm a monster, monster you created

Yeah

Killa on the run run run run run run run run

I'm a killa on the run  
You broke my heart and now you're staring at my gun  
Click-clack now watch me pull this trigger just for fun  
Was once a good girl now a killa on the run  
K-k-killa, k-k-killa, k-k-killa  
K-k-killa on the run  
Killa on the run  
K-k-killa on the run

Killa on the run [repeated]

Goodbye  
[Click-clack]
