

# Brutha, She's Gone

[Intro:]

Say ohhh...

Say ohhh...

[Verse 1:]

Say ohhh,

Feel like I lost my Heart

Or misplaced my thoughts and, I don't Know

Ready to walk on home

I just couldn't see it comin'

Say ohhh,

Baby it was all My fault

I forgot how to treat a Woman

I don't Know,

Why I was playing around

And all the while I was Losin'

[Pre-Chorus:]

The best girl in my Life, for sure (for sure)

Is about up and walk out that Door

Said, She won't play Number 2 anymore

Seems like the waters won't dry

And I don't know why...

[Chorus:]

So I'm telling her, I'm ready to work on Me

It's too late, She's gone, She's gone, She's gone

I'm telling her, I'm ready to meet her Needs

It's too late, She's gone, She's gone, She's gone

See, She decided to up and leave (up and leave)

Before I could give her my Apologies (give her my Apology)

Wish I could bring that Girl Back to Me

It's too late, She's gone, She's gone, She's gone

It's too late She's gone...

[Verse 2:]

Say ohhh,

I wanna wake myself up

From this Nightmare that I'm dreamin'

I don't Know,

Why I took your Love for granted

What the hell was I thinken'?

Say ohhh,

I'm missing everything We had

I'd do anything to get You back, Yeah

I don't Know,

How I let You get away

Guess it's the price that I Pay, Yeah Yeah

[Pre-Chorus:]

The best girl in my Life, for sure (for sure)

Says she about up and walk out that Door

Said, she won't play Number 2 anymore

Seems like the walls won't dry

And I don't know why...

[Chorus:]

So I'm telling her, I'm ready to work on Me

It's too late, She's gone, She's gone, She's gone

I'm telling her, I'm ready to meet her Needs

It's too late, She's gone, She's gone, She's gone (it's too late She's gone)

See, she decided to up and leave (up and leave, yeah)

Before I could give her my Apologies (oh)

Wish I could bring that Girl back to Me

It's too late, She's gone, She's gone, She's gone

It's too late She's gone...

[Hook:]

It's nights like this

I wish I would have never let my Baby get away

Takes everything I have admitting my Mistakes

Don't know if I could find my way without you Girl  
Shoulda took the time to do the little things  
I wish I knew my neglect would bring  
You to go further away  
So now I know  
That it's way too late  
[Chorus:]  
So I'm telling her, I'm ready to work on Me  
It's too late, She's gone, She's gone, She's gone  
I'm telling her, I'm ready to meet her needs  
It's too late, She's gone, She's gone, She's gone  
See, She decided to up and leave (up and leave)  
Before I could give her my Apologies (Before I could give her an Apology yeah)  
Wish I could bring that Girl back to Me  
It's too late, She's gone, She's gone, She's gone  
[Chorus:]  
So I'm telling her, I'm ready to work on Me  
It's too late, She's gone, She's gone, She's gone (but it's too late she  
S gone)  
I'm telling her, I'm ready to meet her Needs  
It's too late, She's gone, She's gone, She's gone  
See, She decided to up and leave (up and leave, yeah)  
Before I could give her my Apologies (give her my Apology)  
Wish I could bring that Girl back to Me  
It's too late, She's gone, She's gone, She's gone
