

# Bryan Adams, Brand New Day

Johnny had the plan  
He's gonna see the world  
.. had to go  
Gonna take his girl  
And he made the way very own  
She said  
Why are you looking at me that way?  
Are you gonna go or you stay?  
GET UP', GET UP', GET UP',  
He just say  
Wake up, Wake up, Wake up,  
...  
GET UP', GET UP', GET UP',

It's a Brand New Day

So we fly away  
..  
Going every way  
Driving through to the night  
...  
Took him all the way  
...  
In the sound of the wheels  
You can still hear her say  
GET UP', GET UP', GET UP',  
What ever it takes  
Wake up, Wake up, Wake up,  
Keep your...  
GET UP', GET UP', GET UP',

It's a Brand New Day  
It's a Brand New Day

Bye bye baby  
Bye bye baby !

She just laugh and say  
Some people has never changed

GET UP', GET UP', GET UP',  
What ever it takes  
Wake up, Wake up, Wake up,  
Keep your...  
GET UP', GET UP', GET UP'

Ypu got to find a better way!
