

# Bryan Adams, Broken Wings

You always say the things I can believe in,  
Always say the things I wanna hear,  
I believe them all - The stories short and tall,  
I believe you - Yeah I believe you.

You give me love,  
When love is all I need to live,  
You gave your word, when words were just superlative,  
When I was blind, you came and opened up my eyes,  
Now I feel I can believe in anything,  
You taught me how to fly on broken wings.

Always do the things I can depend on,  
Always there, every night and day,  
Everytime I've fallen down - You've always been around,  
To lift me up again,  
To set me straight again.

Yeah you give me love,  
When love is all I need to live,  
You gave your word, when words were just superlative,  
When I was blind, you came and opened up my eyes,  
Now I feel I can believe in anything,  
You taught me how to fly on broken wings.

Sometimes I find myself on my own,  
And cant find the road that leads me back home,  
But you made me believe I can do anything,  
Even fly on broken wings.

Ohh you give me love, love, love,  
When love is all I need to live,  
You gave your word, when words were just superlative,  
When I was blind, you came and opened up my eyes,  
Now I feel I can believe in anything,  
You taught me how to fly on broken wings.

Taught me how to fly - Yeah,  
On broken wings.
