Bryan Adams, Don't Turn Me Away

Call me in the nighte babe
call me in the day
don't say I'm getting older
changed in every way
don't turn me away

Close me like a book babe
when I'm old and grey.
Knockin' on your door I'm feelin' all fustrate
don't turn me away
oh - don't turn me away

Don't turn me away babe
Don't turn me away
Don't turn me away babe
Don't turn me away

Oh - don't turn me away
Oh - don't turn me away

Waitin' just to see you
crazy for your smile
though I'm feelin' longer
- take me for a while
so don't turn me away
oh - don't turn me away
oh - don't turn me away
