

# Bryan Adams, How Do Ya Feel Tonight

is there anybody out there?  
anyone that's loved in vain  
anyone that feels the same  
is there anybody waiting?  
waiting for a chance to win  
to give it up and start again  
we all need something new  
something that is true  
and someone else to feel it too  
i feel so high - no one else would know it  
i don't know why i feel the way i do  
i can't let go - and i'm not scared to show it  
cuz being here feels right  
tell me - how do you feel tonight?  
is there anybody out there?  
anyone that can't explain  
anyone that feels no pain  
is there anybody dreaming  
dreaming of a better day  
when everything goes your way  
we all need something new  
something that is true  
and someone else to feel it too  
someone just like you
