Bryan Adams, Rock Steady

You need a man that'll treat you like the woman you are Those little boys are just fooling around with your heart Whatcha gonna do now that you're all alone? You need a rock not a rollin' stone Yeah so when a boy just ain't enough You need a man made of stronger stuff Get ready Rock steady all night long

Rock steady till the light of dawn Slow and easy tried and true Rock steady Just me and you

You need somebody who will help you with your heavy load Well I've been there baby Lord give me a rock and roll Well I can bend but I won't break cause you ain't got what I can take So when you're tired of those little girls you want a woman that'll rock your world Get ready
