

# Bryan Adams, Soldier

Sound the bugle now.  
Play it just for me.  
As the seasons change,  
Remember how i used to be.  
Now i can't go on;  
I can't even start.  
I've got nothing left, just an empty heart.  
I'm a soldier, wounded so i must give up the fight.  
There's nothing more for me.  
Lead me away, or leave me lyin' here

Sound the bugle now,  
Tell 'em i don't care.  
There's not a road I know that leads to anywhere.  
Without a light I fear that I will stumble in the dark.  
Lay right down and decide not to go on.

Then from on high,  
Somewhere in the distance,  
There's a voice that calls "Remember who you are!  
If you lose yourself  
Your courage soon will follow,  
So be strong tonight.  
Remember who you are."

You're a soldier now,  
Fighting in a battle to be free once more!  
Yeah! That's worth fighting for!
