Bryan Adams, Take Me Back

I shoulda seen it coming I shoulda seen the signs Didn't really think that she needs me Must've 'bin blind

She didn't give me a warning Said I shouldn't treat you wrong But when I woke up this mornin' She was gone gone gone

She said... Take me back won't ya Take me back won't ya I'll change my ways Take me back won't ya Take me back won't ya I'm not the same

She didn't tell me about it Am I supposed to read your mind You make me get up and shout it It's a crime crime

I shoulda seen it coming I shoulda seen the signs Didn't really think that she needs me Must've 'bin blind

She said... Take me back won't ya Take me back won't ya I'll change my ways Take me back won't ya Take me back won't ya I'm not the same

Won't ya take me back Won't ya take me back
