

# Bryan Ferry, Feel The Need

(Tilman)

See how I'm walkin'  
See how I'm talkin'  
Notice everything in me  
Feel the need, feel the need in me.  
I need you by my side  
To be my guide  
See my arms are open wide  
Feel the need, feel the need in me.  
Every day I need  
Every day I want  
Without you I'd rather die  
I need you constantly  
Your love takes care of me  
Your love is better to me than apple pie.  
Just put your hand in mine  
Love me all the time  
Its just so plain to see  
Feel the need, feel the need in me
