

Bryan Ferry, Hiroshima...

(Ferry/Stewart)

Unconscious in Versailles

Press play begin

See my life flash by

Oh neon wind

Hiroshima mon amour

I wake up in Chiang-Mai

Think I must jack in

I hear the wild girls cry

Oh neon wind

Hiroshima mon amour

You make me weep

You make me moan

A thousand suns

And then you're gone

Blade runner in the night

Burn out Berlin

Oh neon wind

Hiroshima mon amour
