

Bryan Ferry, It ain't me babe

Go away from my window
Leave at your own chosen speed
Im not the one you want babe
Im not the one you need
You say youre lookin for someone
Never weak, but always strong
To protect you and defend you
Whether you are right or wrong
Someone to open each and every door
But it aint me babe
No, no, no
It aint me babe
It aint me that youre looking for
Go lightly from the ledge babe
Go lightly on the ground
Im not the one you want babe
I will only let you down
You say youre lookin for someone
Who will promise never to part
Someone to close his eyes for you
Someone to close his heart
Someone who will die for you and more
But it aint me babe
No, no, no
It aint me babe
It aint me that youre looking for
Go melt back in to the night babe
Everything inside is made of stone
Theres nothin in here thats a moving
And anyway Im not alone
You say youre lookin for someone
To pick you up each time you fall
To gather flowers constantly
And to come each time you call
A lover for your life and nothing more
But it aint me babe
No, no, no
It aint me babe
It aint me that youre looking for
