

# Bryan Ferry, Kiss & Tell

(ferry)

Ten cents a dance

Its the only price to pay

Why give em more

When its only love for sale?

Adam and eve

Its the oldest game in town

Just a one way street

To a faded magazine

Kiss and tell

Money talks - it never lies

Kiss and tell

Give and take - eye for an eye

Fever - the heat of the night

Dreamer - stealer of sighs

One public face

In a private limousine

Flash photograph

Its the only light you see

No secret life

Theres no secret you can steel

Your lips are moving

But I will never know

What they mean

Kiss and tell

Money talks - and love...it burns

Kiss and tell

Give and take - we live and learn

Kiss and tell

We never lie

Eye foe an eye

Blood on a nail

Kiss me again
