Bryan Ferry, When Somebody Thinks You're Woi

When somebody thinks you're wonderful What a difference in your day Seems as though your troubles disappear Like a feather in your way

When somebody thinks you're wonderful Tells you with a smile so sweet What are little stones you step upon Just a meadow 'neath your feet

And how you meet the morning And gaily swing along At night you may be weary But your heart still sings a song

When somebody thinks you're wonderful Love is mighty close to you Just another thing more wonderful Making all her dreams come true
