

Bryan White, Between Now And Forever

I can't believe that I've found you
Fate did a number on me
If you end up with my arms around you
It's meant to be

Well maybe my crazy is showing
But maybe I'm hooked on your touch
But wherever my life is going
There ain't no rush... 'cause

Chorus:
Wherever you're going
I'd like to go too
If you don't have anything better to do
I'd love to spend some more time together
So what are you doing between now and forever?

I'll take the blue with the gray days
I just pray the road will be long
'Cause if I'm beside you there's no way I can go wrong

(chorus)

I'd love to spend some more time together
So what are you doing between now and forever?
What are you doing between now and forever?
