

BTS (방탄소년단), Heartbeat

it leaves me feeling seasick baby
(...)
it spins me round and drives me crazy
(...)

(...)
but my heart's still on fire
with a burning desire
(...)

i wish that you would love me again
like yesterday
(...)
and every time my heart beats
(...)

(...)

when you hear my heartbeat baby
you gave me a new life
you gave me a new birth
I feel you're heartbeat away
I been losing my mind
I been craving my shine
I know me before you was a ready
made me
but you designate me
and you did resume me
I've been calling your name
in this whole universe
now I need no space
I got universe

(...)

i wish that you would love me
(...)
and every time my heart beats
(...)

(...)

my heart's on fire for your love
oh heart's on fire for your love

i wish that you would love me
(...)
and every time my heart beats
(...)

(...)
