

Bubbles, I'll Be There

Most of the time life can make you happy
Spinning on a merry-go-round
Most of the time laughing and parties
You got your friends all around

But when you're sad and lonely
You know you can phone me
Anytime when you're feeling down

O la la don't be unhappy
O la la dry your tears away
O la la Monday to Sunday
O la la I'll be there

I'll be there I'll be there
Whenever you need me
I'll be there

Once in a while when the rain keeps falling
You don't know what you're gonna do
Once in a while when your heart is calling
And nobody will listen to you
