

# Buck 65, Grindstone Cowboy

[Buck 65]

little dj critical, the analytical,  
will ridicule and make the other djs sick 'cause he's infectious.  
he doesn't wear gloves but he gets wreckless  
on the one and two and eats cereal for breakfast.  
with the tricks and pieces that your tapedeck need,  
scratchin' and cuttin' at a breakneck speed.  
when he cracks the wrist like a hip hop activist,  
he gets better 'cause he practices,  
all the time, so let's get mac to this.
