

Buck, American Express

I go to work, I hit the sheets, I fuck the man
out in the streets they shoot to kill, I fuck the man
I need a thrill; he's such a tease, I fuck the man
dirt and disease, I aim to please, I fuck the, I fuck the--

24 hours a day; nothing makes it worth my while
24 hours a day; it's a long, long time 'til they let you die

I spank the dog, I smoke the pipe, I fuck the man
believe the hype, the first one's free, I fuck the man
new wave tv, acid rain, I fuck the man
downsize your brain, no pain no gain, I fuck the, I fuck the--

24 hours a day; nothing makes it worth my while
24 hours a day; it's a long, long time 'til they let you die

oh, oh, oh...

take a number, make a mess, I fuck the man
my happiness American
Express, fuck the man!
you rise above, oh you're so smug, you fuck the man I saw you

24 hours a day; nothing makes it worth my while
24 hours a day; it's a long, long time 'til they let you die
