

# Buck Owens, How Long Will My Baby Be Gone

How long is forever  
How soon is now or never  
How long will these heartaches linger on  
And how long will my baby, be gone.

How wide is the notion  
How deep is the devotion  
How long do these sleepless nights go on  
And how long will my baby, be gone.

For I could never understand  
How she could turn to another man.

How much does a heart ache  
How deep is a heartbreak  
How long do these sleepless nights go on  
And how long will my baby, be gone.

For I could never understand  
How she could turn to another man.

How much does a heart ache  
How deep is a heartbreak  
How long do these sleepless nights go on  
And how long will my baby,  
How long will my baby, be gone...
