

# Buckcherry, Dreams

I can't stay with you now  
Cause I am so ashamed  
Didn't mean to let you down  
And tears run down my face  
Are you still in love with me  
I need to know right now  
'Cause I'm still in love with you

I want to be  
in your dreams,  
In your dreams  
Just wait and see  
you can count on me,  
Count on me  
I know just what you're after  
My heart keeps beating faster  
I want to see you in my dreams

I am trying to change  
But something's in the way  
I take all of the blame  
And hate the things I said  
Do you still feel the same,  
I need to know right now  
'Cause I know it's hard to change

I want to be  
in your dreams,  
In your dreams  
Just wait and see  
you can count on me,  
Count on me  
I know just what you're after  
My heart keeps beating faster  
I want to see you in my dreams

Lay your head on my shoulder  
and I won't let you go

Yeah, yeah  
I'm not falling under  
'cause I know that it's hard to find  
yeah, yeah  
when I'm down  
I reach for the sky  
and sometimes I want to cry  
yeah, yeah  
are you still in love with me,  
I need to know right now  
'Cause I'm still in love with you

I want to be  
in your dreams,  
In your dreams  
Just wait and see  
you can count on me,  
Count on me  
I know just what you're after  
My heart keeps beating faster  
I want to see you in my dreams

Lay your head on my shoulder  
and I won't let you go  
yeah, yeah
