

# Buckcherry, Sunshine

Playin with me baby will get you stung like a bee  
You keep playing with me baby until I'm deep in between  
I know your never gonna agree, love life Rollercoaster  
You never let the sunshine you better take it from me  
And every time you sun shines you make me weak in the knees  
I know your never gonna agree, love life Rollercoaster  
Your Momma's never gonna believe, went to bed with a monster  
Leave a light on cry tomorrow  
And I'll show up  
Leave a light on cry tomorrow  
And let your sunshine  
I bet you had a hard life, it's time to set you free  
Crying with your green eyes, I'm sorry baby please  
[Pre-chorus]  
[Chorus]  
Solo  
Sugar my sunshine I want to make you scream  
Baby your so fine you got ta play with me  
I know your never gonna agree  
Your mama's never gonna believe  
Your daddy thinks I'm a freak  
[Chorus]
