

# Buddy Guy, I Need You Tonight

It's three o'clock in the morning  
And the rain began to fall  
I know what I need  
'Cause I don't have it all

I'm needing someone like you  
That I can do love to  
Baby, baby  
I need you tonight

Outside my window  
It's lonely and cold  
Inside my heart there's a fire  
Burning out of control  
Burning for someone like you  
I just wanna do love to  
Baby, baby

I need you tonight

Your love is coming to me  
Like a wolf howlin' at the moon  
But that just won't do me  
'Cause I can't get you soon  
I'm calling for someone like you  
That I can do love to  
Baby, baby  
I need you tonight

I need you tonight  
Callin', callin', callin', callin'  
Honey I need you tonight
