Buddy Guy, Medley: Oh Baby / You Better Watch

Oh baby, you gonna miss me when I'm gone
Oh baby, you gonna miss me when I'm gone
Well I try to please you baby
All I did was wrong
Oh baby, I love you like never before
Oh baby, you gonna miss me child when I'm gone
Well I tried to please you baby
But we just couldn't get along
The people they're talking all over town
They say you don't love me
You're gonna put me down
You better watch yourself
You better watch yourself
You better watch yourself
'Cause I got my eyes on you
Listen here

I don't care what the people say
I got to love you girl
Any old way
You better watch yourself
You better watch yourself
You better watch yourself
'Cause I got my eyes on you
Get back get back get back

I don't care what the people say
I'm gonna love you girl
Any whole way
You better watch yourself
You gotta watch yourself
Oh you better watch yourself
I got my eyes on you
