Buddy Guy, Ninety Nine And One Half

I got to have all your love Night and day Not just a little part But all of your heart, sugar

Ninety-nine and a half just won't do Oh, no, no, just won't get it

Don't be led in the wrong direction To start this thing off right A man need a little love and affection Yes he do, now

Ninety-nine and a half just won't do Oh, no, no, just won't get it, all right

Lookin' here

We got to bring it all down Start gettin' it right We got to stop this messin' around And keep the thing up tight Yes we do, now

Ninety-nine and a half just won't do Oh, no, no, just won't get it, all right sugar

Got to have a hundred Well, got to have a hundred All right

Ooh, I must do, I must do I must do now

Oh! Got to have a hundred Yeah, got to have a hundred Oh! Got to have a hundred, too right Got to have a hundred, now, oh
