

# Buddy Holly, Take Your Time

Take Your Time, I can wait  
For all the love I know will be mine  
If you Take Your Time  
Take Your Time, though its late  
Heart strings will sing like a string of twine  
If you Take Your Time  
Take Your Time and take mine too  
I have time to spend  
Take Your Time go with me through  
Times 'till all times end  
Take Your Time, I can wait  
For all the love I know will be mine  
If you Take Your Time
