

# Budgie, Hammer and Tongs

Woman I can hear you woman in my soul  
I wish I was your daddy I wish I was your mammy  
Just lay down your hammer and tongs  
Woman I can love you woman think you know  
I wish I was your daddy I wish I was your mammy  
Just lay down your hammer and tongs  
Woman live like a song look around at  
Who you see the tongs  
Woman see the marks of life  
That you thought are right are wrong
