# Buffalo Springfield, Come On Lover

(Neil Young)
Been burned and with both feet on the ground
I've learned that it's painful comin' down
No use runnin' away, and there's no time left to stay
Now I'm finding out that it's so confusin'
No time left and I know I'm losin'
Flashed and I think I'm fallin' down
Crashed, and my ears can't hear a sound
No use runnin' away, and there's no time left to stay
Now I'm finding out that it's so confusin'
No time left and I know I'm losin'
Now I'm finding out that it's so confusin'
No time left and I know I'm losin'
Burned and with both feet on the ground
I've learned that it's painful comin' down
No use runnin' away, and there's no time left to stay
Now I'm finding out that it's so confusin'
No time left and I know I'm losin'
SONG: Do I have to come right out and say it
(Neil Young)
Do I have to come right out and say it
Tell you that you look so fine?
Do I have to come right out and ask you to be mine?
If it was a game I could play it
Trying to make it but I'm losing time
I got to bring you in, you're overworking my mind
chorus:
Indecision is crowding me
I have no room to spare
And I can't believe she cared
Like a dream she has taken me
And now I don't know where
And a part of me is scared
The part of me I shared
Once before
Do I have to come right out and say it
Tell you that you look so fine?
Do I have to come right out and ask you to be mine?
chorus
Do I have to come right out and say it, girl
Tell you that you look so fine?
Do I have to come right out and ask you to be mine?
If it was a game I could play it
Trying to make it but I'm losing time
I got to bring you in, you're overworking my mind
Do I have to come right out and say it, girl
Tell you that you look so fine?
