

# Buffalo Springfield, Merry-Go-Round

Upside down on a merry-go-round  
Now just look at me  
Spreading your eyes to see you standing for me  
It's a lover you see

Not just to anyone  
Not just to fee  
Someone you can come maple leave

What in the world did you do  
To make me love just you?  
What did you do to me?  
What you did to me

This time next time  
Which ever let be  
There's something I can't deny  
I'm telling you now  
Your love is something to me  
It's like a sweet lullaby  
A melody that could only imply  
Loving you seems to me worth a try

What in the world did you do  
To make me love just you?  
What did you do to me?  
What you did to me  
What did you do to me?
