

Buffy, Drawn To The Fire

Buffy: I touch the fire, and it freezes me
I look into it, and it's black
Why can't I feel?
My skin should crack and peel
I want the fire back
Now through the smoke, she calls to me
To make my way across the flame
To save the day
Or maybe melt away
I guess it's all the same

So I will
Walk through the fire
'Cause where else can I turn?
I will
Walk through the fire
And let it...

Spike: The torch I bear is scorching me
And Buffy's laughing, I've no doubt
I hope she fries,
I'm free if that bitch dies
I better help her out

Sweet: 'Cause she is
Drawn to the fire
Some people (Giles: She will) never learn...
And she will
Walk through the fire
and let it...

Giles: Will this do a thing to change her?
Am I leaving Dawn in danger?
Is my Slayer too far gone to care?

Xander: What if Buffy can't defeat it?

Anya: Beady eyes is right, we're needed
Or we could just sit around and glare

All: We'll see it through
It's what we're always here to do
so we will
Walk through the fire

Buffy: So one by one, they turn from me
I guess my friends can't face the cold
(Tara: What can't we face?)
But while I froze,
Not one among them knows
(Tara: If we're together?)
And never can be told

(This section at same time as group's below)
Sweet: So one by one they come to me
The distant redness as their guide
But what they'll find
Ain't what they have in mind
It's what they have inside

(This section at same time as Sweet's above)
Anya: She came from the grave much graver
Spike: First, I'll kill her, then I'll savor
Tara: Everything is turning out so dark

(Buffy: Going through the motions)
Spike: No, I'll save her, then I'll kill her
(Buffy: Walking through the part)
Willow: I think this line is mostly filler
Giles: What's it going to take to strike a spark?
Buffy: These endless days
Are finally ending in a blaze

(Sweet:) She will come to me...

All: And we are
Caught in the fire
The point of no return
So we will
Walk through the fire
And let it burn
Let it burn
Let it burn
Let it burn!
