

Buffy, I'll Remember You (From The Episode Age

It's day break
And you are asleep
I can hear you breathe now
your breath is deep
But before I go
i look at you one last time
I can hear a heart beat
Is it yours
or is it mine?

I look at your lips
I know how soft they can be
Did they know what they wanted
The times
they kissed me?

and your hands
I held in mine
now there up-posed on a pillow
will they ever miss me
some time?

CHOURS:
I'll remember you
You will be there in my heart
I'll remember you
That is all that I can do
But I'll remember

Your eyes
They always make me
shiver
now they are closed
they just sometimes twitch
a little

And your body
I can hold for an hour
It sent me to hea-ven
with it's speed and power
