Buffy, Letting Go (From The Episode Bigining Par

the winter here's cold, and bitter it's chilled us to the bone we haven't seen the sun for weeks to long too far from home I feel just like I'm sinking and I claw for solid ground I'm pulled down by the undertow I never thought I could feel so low oh darkness I feel like letting go

if all of the strength and all of the courage come and lift me from this place I know I could love you much better than this full of grace full of grace my love

so it's better this way, I said having seen this place before where everything we said and did hurts us all the more its just that we stayed, too long in the same old sickly skin I'm pulled down by the undertow I never thought I could feel so low oh darkness I feel like letting go

if all of the strength and all of the courage come and lift me from this place I know I could love you much better than this full of grace full of grace my love
