

# Buffy Musical Episode, Walk Through The Fire

Buffy:

I touch the fire and it freezes me  
I look into it and it's black  
Why can't I feel?  
My skin should crack and peel  
I want the fire back

Now through the smoke she calls to me  
To make my way across the flame  
To save the day or maybe melt away  
I guess it's all the same

So I will walk through the fire  
'Cause where else can I turn?  
I will walk through the fire  
And let it--

Spike:

The torch I bear is scorching me  
Buffy's laughing, have no doubt  
I hope she fries  
I'm free if that bitch dies  
I'd better help her out

Sweet:

'Cause she is drawn to the fire  
some people will never learn

Spike (over Sweet's second line):  
She will never learn

Sweet/Spike:

And she will walk through the fire  
And let it--

Giles:

Will this do a thing to change her?  
Am I leaving Dawn in danger?  
Is my Slayer too far gone to care?

Xander:

What if Buffy can't defeat it?

Anya:

Beady-eyes is right we're needed  
Or we could just sit around and glare

Group:

We'll see it through  
It's what we're always here to do  
So we will walk through the fire

Buffy:

So one by one they turn from me  
I guess my friends can't face the cold  
(Tara: What can't we face)  
But why I froze  
Not one among them knows  
(Tara: If we're together)  
and never can be told

Anya:

She came from the grave much graver

Spike:  
First I'll kill her then I'll save her

Tara:  
Everything is turning out so dark

Buffy:  
Going through the motions  
Walking through the part

Spike:  
No first I save her then I'LL kill her

Willow:  
I think this lines mostly filler

Giles:  
What's it gonna take to strike a spark

(Sweet:  
So one by one they come to me  
the distant redness as their guide  
That single flame  
Ain't what they have in mind  
It's what they have inside.)

Buffy:  
These endless days are finally ending in a blaze

(Sweet:  
She will come to me)

Buffy, Spike and group:  
And we are caught in the fire  
The point of no return  
So we will walk through the fire  
And let it burn  
Let it burn  
Let it burn  
Let it  
BURN
