Emma Lee
Lord, she want what she can't have
Emma Lee don't mind
Emma Lee she take the power in her own hands
She just take her time
Emma Lee she never worry bout nothing at all
Her loving loves a storm
Emma Lee she got that Heyo ha ah ha a ha yo
She calm the waters and she step on board
And she sing about
He got that attitude
He got them bayou ways
Got what I want Lord
The sunshine's in love with the man

She sing about
He never hurry away
He love to take his time
Month of June, lord
The sunshine's in love with the man

Women's ways

There's really nothing to it
