

# Building 429, The Space Between Us

\*The Space in Between Us\*

Look at my heart again  
Look at the mess I've got it in  
I'm learning to trust in You  
To know that you'll see me  
Through my pride  
Through my shame  
Into Your love  
Into Your grace  
I'm not looking back  
Till I see Your face  
I'm running straight to You

All I really want to do is to fall into  
The emptiness that is  
The space in between us  
To break this division  
All I really want to do is to fall into  
The emptiness that is  
The space in between us  
Erase it and bring us together again

My life's an open book  
Nothing is hidden when you look  
You break through my boundaries  
Revealing my insecurities  
But through my pride  
And through my shame  
You show me love  
You show me grace  
I'm not looking back  
Till I see your face  
I'm running straight to you  
Because

All I really want to do is to fall into  
The emptiness that is  
The space in between us  
To break this division  
All I really want to do is to fall into  
The emptiness that is  
The space in between us  
Erase it and bring us together again

Together Again

Here I am saying I need you  
I know I need you  
Here I am, I'm coming to meet you  
Cause I want to see you

And all I really want to do is to fall into  
The emptiness that is  
The space in between us

All I really want to do is to fall into  
The emptiness that is  
The space in between us  
Erase it and bring us together

And All I really want to do is to fall into  
The emptiness that is  
The space in between us

To break this division  
All I really want to do is to fall into  
The emptiness that is  
The space in between us  
Erase it and bring us together again  
Bring us back together again,  
Bring us back together again
