

# Built To Spill, Liar

I wouldn't be a liar  
No i wouldn't be a liar if i told you that  
I wouldn't be a liar

When things are all you think of  
And plans are all you make  
and thoughts are all you dream of  
your falls are all you take  
look out the world's destroying ya  
relax it isn't fair  
mother natures disposition  
she don't mind she don't care  
she don't mind she don't care

And I wouldn't be a liar  
No i wouldn't be a liar if I told you that  
I wouldn't be a liar

Passing over, passions pour, passing everything

I wouldn't be a liar  
No I wouldn't be a liar if I told you that

It takes up all of your life  
these decisions you make  
it takes up all of a day  
making them all

Well outside on the patio  
the pianos weeping too  
forget about it all for a little while  
she don't mind she dont care  
she don't mind she don't care  
she don't mind she don't care

And I wouldn't be a liar  
No I wouldn't be a liar if I told you that  
I wouldn't be a liar

You see it seems minor to me  
You see it seems minor to me  
You see it seems minor to me  
You see it seems minor
