

Built To Spill, Some Things Last A Long Time

your picture
is still
on my wall
on my wall
the colors
are bright
bright
as ever
the red is strong
the blue is true
some things last a long time
some things last a long time your picture
is still
on my wall
on my wall
I think
about you
often
often
I can't forget all the things we did
some things last a long time
some things last a long time it's funny
but it's true
and it's true
but it's not funny
time comes and goes
all the while
I still think of you
some things last a long time
your picture
is still
on my wall
on my wall
the colors
are bright
bright
as ever
times that we shared
all that we forget
some things last a life time
some things last a life time
