Let you breath that paper don't stifle us  
Getting 20's if the 18's ain't fat enough  
Nice likkle cutie just you backs it up  
Tell a gal to keep her eyes off ya stuff  
Rude girl a you posses the Midas touch  
From head to toe, Buju say you fabulous

No other ting on this earth I would rather trust  
Tell all the woman then it is a must
