

# Bullet For My Valentine, Heart bursts into fire

I'm coming home  
I've been gone for far too long  
Do you remember me at all?  
Im leaving  
Have I fucked things up again?  
Im dreaming  
Too much time without you spent  
It hurts  
Wounds so sore  
Now I'm torn  
Now I'm torn  
I've been far away  
When I see your face  
My heart burst into fire  
Hearts burst into fire  
You're not alone  
I know I'm far from home  
Do you remember me at all?  
I'm leaving  
Do you wait for me again?  
I'm screaming  
No more days without you spent  
It hurts  
Wounds so sore  
Now I'm torn  
Now I'm torn  
I've been far away  
When I see your face  
My heart burst into fire  
Hearts burst into fire  
My bed's so cold, so lonely  
No arms, just sheets to hold me  
Has this world stopped turning?  
Are we forever to be apart?  
Forever to be apart...  
It hurts  
Wounds so sore  
Now I'm torn  
Now I'm torn  
I've been far away  
When I see your face  
My heart burst into fire  
Hearts burst into fire  
I'm coming home  
I've been gone for far too long  
I'm coming,remember me at all?  
Do you remember me at all?  
Im leaving  
Im dreaming  
Im dreaming
