

Bullet For My Valentine, Her Voice Resides

Our time is ending, I feel it's only just begun
And I'm frustrated, I can't believe you're not the one
My ears are bleeding, her voice resides inside my head
And now I'm choking, release this noose around my neck!

Will I just fall to pieces?
Or am I all right?
To iron out my creases, you must lacerate me 'til they're gone

These are my final words to you
I know you're listening, can you hear me
The time has come to say goodbye
These are my final words, to you

The clock is ticking, my heart is bursting through my chest,
And now I'm crying, the tears are pouring off my face,
The chair is creaking,

Her voice resides inside my head,
And now it's over,
You put this noose around my neck

Will I just fall to pieces?
Or am I all right?
To iron out my creases, you must lacerate me 'til they're gone

These are my final words to you
I know you're listening, can you hear me
The time has come to say goodbye
These are my final words, to you

Heaven, where is my angel?
I need her now, holding me
Heaven, where is my angel?
I need her now, holding me tonight

Now!

Will I just fall to pieces?
Or am I all right?
To iron out my creases, you must lacerate me 'til they're gone

These are my final words to you
I know you're listening, can you hear me
The time has come to say goodbye
These are my final words, to you
