Bullet For My Valentine, No Way Out

No Way Out

Looking out standing over the edge
Too numb to feel alive
So why the fuck are these thoughts in my head
Reach in and pull them out

Still nothing feels the same
Too late to hesitate
Why can't I run and escape from myself
And live again
Why can't I run and escape from myself

Tell me why I feel like there's no way out
Trying hard to heal as the pain pours out
I don't wanna feel this way but it's hard
'Cos I know that in the end
There's no way out

Oh my god is this really the end
I guess I'm not alright
I just can't tell what is real anymore
I'm trapped in my own hell

I know this can't be real
This negativity
Is dominating and smothering me
I just can't breathe

And I just can't tell what is real any more

Tell me why I feel like there's no way out
Trying hard to heal as the pain pours out
I don't wanna feel thisway but it's hard
'Cos I know that in the end
There's no way out

There's nothing left for me
Just tainted memories
There's no one here for me
Just let me be

Why can't I run and escape from myself
I just can't tell what is real any more

Tell me why I feel like there's no way out
Trying hard to heal as the pain pours out
I don't wanna feel this way but it's hard
'Cos I know that in the end
There's no way out

Oh my god is this really the end
