

Bumcello, Wet

You've showed me how to cry
You've opened up my mind
Now, I'm never forget
Inside I'm wet
We're all wet inside
We're all wet inside

You've showed me how to live
And how to forgive
Now never forget
Inside I'm wet
We're all wet inside
We're all wet inside

We're all wet inside
We're all wet inside
