

# Buried Alive, Do You Remember?

I can't believe, what's become of me  
Not the way I want to be  
I told myself I would never do that  
I warned myself I was headed for this  
And sometimes I want to end it all.  
I can't pretend as I watch it die

I remember what this used to be  
Do you remember what this means  
This is dragging me down: I'm falling far  
Before my eyes, I watch it fall apart

This falls apart.  
I can't believe what's come of me
