

Burn Season, Mistake (Demo Version)

You say,
It's because of me (of me)

You say,
It's because of me (of me) you can not enjoy life it seems
And still (and still),
Can not hear the words that you say

I know more than
You think I do
You say I do
Tell me what does it take

It feels like the first time
My hand touched your face, I
I know i can feel like i can not try again
I think i've made a mistake

I know this will last
We can go on
If we remember our pasts

After so long
So much how could we
Give up

Lets make it right
(It's over, it's over, I know that it's over)
I can not pretend now

It feels like the first time
My hand touched your face, I
I know i can feel like i can not try again
I think i've made a mistake

Take your time
(It's over, it's over)
Take your time
(It's over, it's over)
Take your time
(It's over, it's over)
I think i've made a mistake

You say it's all because of me
Over now

It feels like the first time
My hand touched your face, I
I know i can feel like i can not try again
I think i've made a mistake

It feels like the first time
My hand touched your face, I
I know i can feel like i can not try again
