

Burning Heads, No Way

No class, no job, i'm just a victim and society's a slob
No ass, no head, rather go home jack off instead
No mind, no kind, my brain is jelly and my memory is blind
No way, no way, cannot live in this world these day

No class, no job, i'm just a victim and society's a slob
No ass, no head, rather go home jack off instead
No mind, no kind, my brain is jelly and my memory is blind
No way, no way, cannot live in this world these day
