

# Burt Bacharach, On My Own

So many times  
Said it was forever  
Said our love would always be true  
Something in my heart always knew  
I'd be lying here beside you  
On my own  
On my own  
On my own

So many promises never should be spoken  
Now I know what loving you cost  
Now we're up to talking divorce  
And we weren't even married  
On my own  
Once again now  
One more time  
By myself

No one said it was easy  
But it once was so easy  
Well I believed in love  
Now here I stand  
I wonder why

I'm on my own  
Why did it end this way  
On my own  
This wasn't how it was supposed to be

On my own  
I wish that we could do it all again

So many times  
I know I should have told you  
Losing you it cut like a knife  
You walked out and there went my life  
I don't want to live without you  
On my own  
On my own  
On my own  
Chorus repeat

This wasn't how it was supposed to end  
I wish that we could do it all again  
I never dreamed I'd spend one night alone  
On my own, I've got to find where I belong again  
I've got to learn how to be strong again  
I never dreamed I'd spend one night alone  
By myself, by myself  
I've got to find out what was mine again  
My heart is saying that it's my time again  
And I have faith that I will shine again  
I have faith in me  
On my own  
On my own  
On my own
