

Burton Cummings, I Do My Vocals On The Boat

Could I get that lucky?
Is it in the cards for you?
Guess that's all dependin'
Just what it is I do

I do my vocals on the boat
I do my singin' on the water
I do my shuckin' best
In that hullabaloo
I do my vocals on the boat
I do my singin' where I oughta
Hopin' it's enough for a sweet little thing like you
I'm prayin' it's enough for a sweet little tart like you

If I've really had it
Baby one more night would tell
You know what you can do now
But you can drop my name in Hell!

'Cause I do my vocals on the boat
I do my singin' on the water
I do my shuckin' best
In that hullabaloo
I do my vocals on the boat
I do my singin' where I oughta
Hopin' it's enough for a sweet little thing like you
I'm prayin' it's enough for a sweet little tart like you
