

Burton Cummings, Niki Hokey

Well, way down in Louisiana, down in Cajun land,
Folks got somethin' goin' for 'em, somethin' like you never seen
Pa wants to retire from the chain gang
Take me on the scooby-doo
Gonna take you on the scooby-di

Ooh-pooh-pooh you, ooh-pooh-pooh, little girl
You're gettin' hip to the conversation before I arrive

Niki Niki Niki Hokey, your pappy's doin' time in the pokey
Your sister's on a trip, your mama got hip
Got me jumpin' up and down babe

Ooh-pooh-pooh you, ooh-pooh-pooh, little girl
You're gettin' hip to the conversation before I arrive
